I want to express sincere gratitude to the government of the country, the Ministry of Sport, the Nepal Boxing Federation for their support in developing sport for young people actively all across the country,” AIBA President Mr. Kremlev said.

Support for developing countries is a part of AIBA Financial Support Program (FSP) that is now being actively implemented. sport in Nepal and it will be great if AIBA could provide assistance for educational programs in schools and institutes. I am sure that we will be successful in our cooperation. From our side we will provide full support to the Nepal National Federation', Prime Minister Mr. Sher Bahadur Deuba concluded.
